DESCRIPTION

wallywhy100project Demand for a smaller yacht in our wallywhy range inspired Wally to create a crossover boat that combines the same spirit of bold innovation and volume in a more nimble package. Coming in under 70ft LOA, the wallywhy100 is a coupé that really challenges the genre. At its core is a single flush deck running from bow to stern. Chameleon-like, it adapts stylishly to different occasions thanks to a hybrid inside-outside concept. There's dining for six, two chaises-longs, a bar and a galley, where the interplay between opening sides and aft doors can completely alter the ambiance. The wheelhouse can be easily closed off and the cockpit turned into a cosy movie lounge.

SPECIFICATIONS

CERTIFICATION

Category	A
-----------------	---

DIMENSIONS

Length	21.49 M / 70'51"
---------------	------------------

Beam	5.73 M / 18'80"
-------------	-----------------

Displacement	51.00 tons
